Rc. 2981/51 G2 dated 15-2-51.

Sub - Cattle Diseases - Bellary District - Hadagalli taluk - enforcement of Madras Cattle Disease Act - Requested.

The District Veterinary Officer, Bellary reports that Rinderpest is prevalent in the Hadagalli taluk of this district and requests that the provisions of the Madras Cattle Disease Act II of 1866 may be extended to Chimnihalli village of that taluk from the period from 18-2-51 to 1-3-51 where cattle fair will be held. I therefore recommend that the provisions of the Act may be enforced in that village for the said period. A draft notification is enclosed for favour of approval and publication.
